

We sincerely hope that you will consider this invitation, and assure you of our best efforts to support – at our modest level - the long lasting friendship between our two nations.

We wish you and your team full success, and include our warm greetings to the Biden family, a remarkable emblem for what makes the United States really great,

Looking forward to your visit to Alsace,  
Yours sincerely,

A handwritten signature in black ink, consisting of a large, stylized 'P' followed by a horizontal line that extends to the right and then curves slightly upwards at the end.

Phil Choukroun  
President, Alsace Etats-Unis
